---

Letter No. 211 dated the 12th May 1902 from the Commandant, 11th Coorg Infantry, to the Commissioner of Coorg.

---

With reference to letter from the Secretary to the Government of Mysore, General and Revenue Departments, to the Secretary to the Chief Commissioner of Coorg, copy of which was forwarded to me under your No. 405 dated 7th May 1902, I have the honour to state that I cannot guarrantee that Detective Inspector Seebiah's services in the Police

would count towards his pension as it is not in my power to do so.

If that officer elects to join the Coorg Regiment, I should be very glad to do my best towards applying for such service to count.

I would point out that it is now two months since the Coorg Regiment was started, and as I have been keeping the post of Subedar-Major open for him all that time, I have already been put to much inconvenience. It will probably take a further period of six months before the matter is settled, and it is of utmost importance that the place should be filled as soon as possible as I feel the inconvenience every day of not having sufficient officers. I would therefore request that Detective Inspector Soobiah may be asked to give a definite answer. If he cares to come and join us, taking six months' leave to do so, doubtless by the end of that time we should have heard whether his services would be allowed to count. In the event of a refusal he, would be free to return to his Civil Work, but I can hardly apply for his services to count until he joins - as he might eventually change his mind and a certain amount of trouble would then have been taken for nothing.

SIR,

With reference to the correspondence ending with your letter No. 472, dated the 20th May 1902, I am directed to forward a copy of a letter No.393/J.38, dated the 8th July 1902, from the Mysore Darbar on the subject of the transfer of the services of Inspector Subbiah to the Coorg Regiment.

2. Mr. Subbiah was lent to the Mysore Darbar for 3 years in the proceedings of the Chief Commissioner No. 1084, dated the 21st May 1901. It appears that, under Article 809 (a) (ii) of the Civil Service Regulations, he pays contribution for pension only; and in return for this contribution the Government of India accepts, under Article 835 (b), the charge for the full pension, the absentee allowances being debited according to the rule of proportion The term "Rule of proportions" is defined in Article 56,

and as Mr. Subbiah was only recently lent to Mysore, the greater part of his absentee allowance falls on Imperial Revenues. Consequently under Articles 346 and 847 Mr. Subbiah's leave must be formally granted by the Chief Commissioner, and under Article 833 this leave must be regulated by the Civil Service Regulations. Whether Mr. Subbiah is eligible for six months' furlough can only be ascertained by a reference to his service book which, under Article 883, is apparently in the Coorg Police office. I am to request that a report on this point may be furnished.

3. A question, however, arises whether if Mr. Subbiah is eligible for furlough he can draw furlough allowance, and at the same time take military service and draw military pay. Article 812 provides for cases of foreign service during leave, but does not specifically mention military service during leave. On this point a further communication will be addressed to you.

I am to request that a copy of this letter may be sent to the Commandant, 11th Coorg Infantry, for his information.

I have the Honour to be,
